On August 5, 2002

TOWNSEND and TOWNSEND and CREW LLP,

By: Kathryn A. Degliantonio

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of:

Christopher H. Evans, et al.

Application No.: 10/086,068

Filed: February 26, 2002

For: SYSTEMIC GENE TREATMENT
OF CONNECTIVE TISSUE DISEASES

Examiner: Not Yet Assigned

Art Unit: 1632

CONFIRMATION NO.: 3205

COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to a Notice to File Corrected Application Papers dated May 3, 2002, Applicants enclose a substitute specification under 37 CFR 1.52.

Applicants have not enclosed a copy of the "Sequence List" as required in the Notice dated May 3, 2002 for the following reasons:

1. On February 26, 2002, Applicants filed a Communication Under 37 CFR §§1.821-1.825 and Preliminary Amendment, a Sequence List, and a Computer-Readable Form of the Sequence List on a diskette to the U.S. PTO in the above-identified U.S. patent application. In the captions on both the Transmittal and Preliminary Amendment, where the "Application Number" is required, Applicants typed, "Continuation of Appl. No. 09/096,572" instead of the Application No. since we had not yet received the Application No.

Christopher H. Evans, et al.
Application No.: 10/086,068
Page 2

2. In a Communication dated March 26, 2002 (Paper 27) received from the Patent Office in U.S. patent application No. 09/096,572, it is acknowledged that a sequence listing was received but that it was not entered because a sequence listing was already filed in this case. The sequence listing received by the U.S. Patent and Trademark Office was filed in the above-identified patent application, not in U.S. patent application No. 09/096,572.

Applicants believe that the substitute specification is all that is required.

CONCLUSION

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (415) 576-0200.

Respectfully submitted,

Peter Seperack

NOTICE TO FILE CORRECTED APPLICATION PAPERS

Filing Date Granted

This application has been accorded an Application Number and Filing Date. The application, however, is informal since it does not comply with the regulations for the reason(s) indicated below. Applicant is given **TWO MONTHS** from the date of this Notice within which to correct the informalities indicated below. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a)

The required item(s) identified below must be timely submitted to avoid abandonment:

- A substitute specification in compliance with 37 CFR 1.52 because:
 - Papers contain improper margins. *Each sheet must have a left margin of at least 2.5 cm (1") and top, bottom and right margins of at least 2.0 cm (3/4")*
- This application does not contain a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d). Applicant must provide such statement. If the effective filing date is on or after September 8, 2000, see the final rulemaking notice published in the Federal Register at 65 FR 54604 (September 8, 2000) and 1238 OG 145 (September 19, 2000).
- A copy of the "Sequence Listing" in computer readable form has not been submitted as required by 37 C.F.R. 1.821(e). If the effective filing date is on or after September 8, 2000, see the final rulemaking notice published in the Federal Register at 65 FR 54604 (September 8, 2000) and 1238 OG 145 (September 19, 2000). Applicant must provide an initial computer readable form (CRF) copy of the "Sequence Listing" and a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d). If applicant desires the sequence listing in the instant application to be identical with that of another application on file in the U.S. Patent and Trademark Office, such request in accordance with 37 CFR 1.821(e) may be submitted in lieu of a new CRF.

For questions regarding compliance to these requirements, please contact:
